

(b) Medical care authorized by paragraph (a) of this section shall be provided in the same or similar manner and subject to the same or similar limitations as medical care furnished to certain dependents and survivors of active duty and retired members of the Armed Forces being furnished such care as beneficiaries of the Armed Forces. Furthermore, it shall be provided in accordance with the terms and conditions set forth in an agreement between the Secretary of Veterans Affairs and the Secretary of Defense under which the Secretary of Veterans Affairs shall include coverage for such medical care under the contract, or contracts, entered into to provide medical care to beneficiaries of the Armed Forces, and under which the Secretary of Defense shall fully reimburse the Secretary of Defense for all costs and expenditures made for the purpose of affording the medical care authorized in this section.

(c) In limited situations, the Under Secretary for Health or designee may authorize care and treatment to the class of beneficiaries covered by this section in Department of Veterans Affairs medical facilities which are equipped to provide the care and treatment, and which are not otherwise being utilized for the care of veterans. Such medical care may be furnished on either an inpatient or outpatient basis and may be furnished in either Department of Veterans Affairs medical centers or Department of Veterans Affairs outpatient clinics.

#### RESEARCH-RELATED INJURIES

##### **§ 17.85 Treatment of research-related injuries to human subjects.**

(a) VA medical facilities shall provide necessary medical treatment to a research subject injured as a result of participation in a research project approved by a VA Research and Development Committee and conducted under the supervision of one or more VA employees. This section does not apply to:

(1) Treatment for injuries due to non-compliance by a subject with study procedures, or

(2) Research conducted for VA under a contract with an individual or a non-VA institution.

NOTE TO § 17.85(a)(1) AND (a)(2): Veterans who are injured as a result of participation in such research may be eligible for care from VA under other provisions of this part.

(b) Except in the following situations, care for VA research subjects under this section shall be provided in VA medical facilities.

(1) If VA medical facilities are not capable of furnishing economical care or are not capable of furnishing the care or services required, VA medical facility directors shall contract for the needed care.

(2) If inpatient care must be provided to a non-veteran under this section, VA medical facility directors may contract for such care.

(3) If a research subject needs treatment in a medical emergency for a condition covered by this section, VA medical facility directors shall provide reasonable reimbursement for the emergency treatment in a non-VA facility.

(c) For purposes of this section, “VA employee” means any person appointed by VA as an officer or employee and acting within the scope of his or her appointment (VA appoints officers and employees under title 5 and title 38 of the United States Code).

#### VOCATIONAL TRAINING AND HEALTH-CARE ELIGIBILITY PROTECTION FOR PENSION RECIPIENTS

##### **§ 17.90 Medical care for veterans receiving vocational training under 38 U.S.C. chapter 15.**

Hospital care, nursing home care and medical services may be provided to any veteran who is participating in a vocational training program under 38 U.S.C. chapter 15.

(a) For purposes of determining eligibility for this medical benefit, the term *participating in a vocational training program under 38 U.S.C. chapter 15* means the same as the term *participating in a rehabilitation program under 38*

## Department of Veterans Affairs

## § 17.93

*U.S.C. chapter 31* as defined in § 17.47(j). Eligibility for such medical care will continue only while the veteran is participating in the vocational training program.

(b) The term *hospital care and medical services* means class V dental care, priority III medical services, nursing home care and non-VA hospital care and/or fee medical/dental care if VA is unable to provide the required medical care economically at VA or other government facilities because of geographic inaccessibility or because of the unavailability of the required services at VA facilities.

### § 17.91 Protection of health-care eligibility.

Any veteran whose entitlement to VA pension is terminated by reason of income from work or training shall, subject to paragraphs (a) and (b) of this section, retain for 3 years after the termination, the eligibility for hospital care, nursing home care and medical services (not including dental) which the veteran otherwise would have had if the pension had not been terminated as a result of the veteran's receipt of earnings from activity performed for remuneration or gain by the veteran but only if the veteran's annual income from sources other than such earnings would, taken alone, not result in the termination of the veteran's pension.

(a) A veteran who participates in a vocational training program under 38 U.S.C. chapter 15 is eligible for the one-time 3 year retention of hospital care, nursing home care and medical services benefits at any time that the veteran's pension is terminated by reason of income from the veteran's employment.

(b) A veteran who does not participate in a vocational training program under 38 U.S.C. chapter 15 is eligible for the one-time 3 year retention of hospital care and medical services benefits only if the veteran's pension is terminated by reason of income from the veteran's employment during the period February 1, 1985 through January 31, 1989.

### § 17.93 Eligibility for outpatient services.

(a) VA shall furnish on an ambulatory or outpatient basis medical services as are needed, to the following applicants under the conditions stated, except that applications for dental treatment must also meet the provisions of § 17.161.

(Authority: 38 U.S.C. 1712)

(1) *For compensation and pension examinations.* A compensation and pension examination shall be performed for any veteran who is directed to have such an examination by VA.

(Authority: 38 U.S.C. 111 and 501)

(2) *For adjunct treatment.* Medical services on an ambulatory or outpatient basis shall be provided to veterans for an adjunct nonservice-connected condition associated with and held to be aggravating a disability from a disease or injury adjudicated as being service-connected.

(b) The term "shall furnish" in this section and 38 U.S.C. 1712 (a)(1) and (a)(2) means that, if the veteran is in immediate need of outpatient medical services, VA shall furnish care at the VA facility where the veteran applies. If the needed medical services are not available there, VA shall arrange for care at the nearest VA medical facility or Department of Defense facility (with which VA has a sharing agreement) that can provide the needed care. If VA and Department of Defense facilities are not available, VA shall arrange for
